The Cupid Fund is a special fund dedicated to helping the shelter pay for emergency medical treatment for its pets. The fund is named after a sweet little dog who came to the shelter on Valentine's Day. Cupid, as we called him, had been hit by a car. Cupid was a wonderful dog with whom everyone fell in love; however, the special surgery that Cupid required was more than the shelter could afford. Through the dedication of volunteers, staff, and a generous veterinarian, money for the surgery was raised. Unfortunately, because of the trauma of his injuries, Cupid did not survive the surgery. The Cupid Fund was set up in memory of this special dog with the hope that the shelter can help other special pets who come to us in need of emergency care.
